Curriculum Highlights

Spring is here! We have been enjoying gorgeous mornings exploring and playing outside. Weather permitting, we will spend more time outside in the mornings for classwork. This month is full of fun activities: Week of the Young Child, Fiesta de los Niños Carnival, and Music Man. We will make a graph to keep track of the weather; and we will be planting and learning about insects too which happen to go hand in hand.

Reflections on Last Month

Looking back ... How fun it was celebrating Dr. Seuss! The children got into rhyming and playing word games, lots of sight words! We also learned about Mo Willems and Eric Carle. We discussed their illustrations including Jan Brett's which are very intricate. Learning about Mammals, Reptiles, and Amphibians, wow, the kiddos have learned big words like metamorphosis to their vocabulary.
