

# Blue Room January News

## Curriculum Highlights

This month we will be learning about patriotism and what it means, then we will continue to discuss this and what our country is about. We will sing songs that represent our country and pride in our country. We are also focusing on staying healthy by washing hands, covering our mouth when we cough or sneeze or staying home if we truly don't feel well. Last but not least being a community helper and doing things you normally wouldn't do for others in our community.

## Reflections on Last Month

December was a fun and exciting month. The children enjoyed learning about Christmas and New Year's Day, we talked about Santa and the things that they wanted for Christmas. We also talked about New Year's Day and the exciting fireworks that we may see. We had a great time during our class music show for our parents and hope you all enjoyed some special family time of your own during our break.

## Themes for This Month

- |    |                   |
|----|-------------------|
| #1 | Patriotism        |
| #2 | Staying Healthy   |
| #3 | Music             |
| #4 | Community Helpers |

## Dates to Remember

- January 11: Frozen Day!
- January 17: MLK Day closed Teacher In Service
- January 19: Music Man

## Reminders/Other Notes

- Water bottles go home at the end of everyday for cleaning for the next school day.
- Nappers go home every Friday for them to be washed
- Please have your child's things labeled for school with your child's name
- Only stuffed animals/blankets are allowed at school no other toys are permitted in the classroom.
- Please send only water in your child's water bottle. Please and thank you.

## INSPIRED in Action

Last month we reviewed all of the literacies we have learned so far. This month Patriotism and Community Helpers will be our focus during our Civic literacy. At home you can ask your child questions about how they can be community helpers.
