

# Green Room News April

## Curriculum Highlights

Happy Spring! The first week of April is a busy one. We will be celebrating Week of the Young Child which is a celebration of young children and all the joy they bring. There will be special activities planned for them each day and we will end the week with our family carnival! The carnival starts at 3 and we encourage parents to pick up their child and take them to the carnival. The rest of the month we will be exploring plant life and bugs in honor of Earth Day. Please look at the april calendar to keep track of special events!

## Reflections on Last Month

March was such a fun filled month. The kiddos loved learning about animals and having a visit from the petting zoo and the book fairy!
