

# Orange Room April News

## Curriculum Highlights

We begin our month celebrating the Week of the Young Child. We have special activities planned all week to show the children just how truly special they are to us. We will have Music Monday, Tasty Tuesday, Work Together Wednesday, Artsy Thursday and the Carnival on Friday being the grand finale!

## Reflections On Last Month

The children were busy learning about different animals. They worked on counting animals, making animal sounds and learning about where different animals live.

St. Patrick's Day week was a great week for the children to enjoy decorating shamrocks and digging for gold coins in the sensory tub.
